Dear Parents & Students,

Last term, Kilmorey won the overall Term 3 house points and are now having a celebration day which will coincide with the movie made by the Grade 5 students during the B.E.A.T project earlier this year. The grade 5’s had an amazing opportunity where they participated in a 2 week B.E.A.T project (Blockbuster Education Arts and Technology) with Richard Prichard who works with special effects. You may have seen some of his amazing work in Mad Max and Happy Feet. During that time, the grade 5 students made a mind blowing movie and now its time to show the school the amazing short film that they have made.

This Celebration day will be raising money and awareness for IVY’S ARMY. Ivy Steele is a 6 year old girl from Hamilton. Since she was just 2½, Ivy has battled Leukemia. But two weeks ago, her family learned she had relapsed once more. Ivy’s race against time has just started: she has until December to raise $400,000 for a shot at life. No viable treatments remain for her in Australia. Her one chance is an American clinical trial of an experimental treatment to reprogram her immune system so it can detect cancer cells. But the desperate Hamilton family needs $400,000 to pay for it. We want you to help us raise money to support Ivy and her family.

It’s a red carpet event so add a dash of Hollywood to your school uniforms! Accessorise with a hat, a tiara or some sparkly shoes!

TIME: 11:30 - 1:00
$3 per person includes entry, popcorn and a drink!

Parents and Guardians are welcome to attend on day as well.

TICKETS WILL BE ON SALE FROM MONDAY.
Get in early they will sell out quick!

RED CARPET PREMIERE DETAILS

WHEN: Friday 4th November
WHERE: Woolsthorpe Primary School in the Multipurpose Room
WHAT: Premiere of B.E.A.T Film - with all funds raised going to Ivy’s Army
WHY: To celebrate and share the process and learning during the making of our film.
To thank Richard and Alex for giving us this opportunity.
To raise money to support Ivy and her family in getting treatment.
Don’t forget we would love parents, guardians, grandparents or special people to come along to help out, then share a meal with their special little person.

This roster is available at the front office for you to volunteer your time to help out! Thank you to the parents who have already added their names!

As you can see we still two helpers for the Grade 1/2 class on Tuesday 15th November. Please let Suzi or Mr Boyd know if you would like to come in and help out!

Keep an eye on this section for the fantastic recipes the kids are making this term!

Nippers 2016/17

Nippers is a great way for children to make friends, be active and enjoy the beach in a safe environment. The program helps develop their skills in lifesaving and day to day life whilst being able to make lots of new friends along the way.

The Warrnambool program is designed for kids aged 8–13 years. The program is structured specifically to their ages and abilities, gradually teaching kids basic lifesaving skills required to be safe around an aquatic environment as well as developing their skills to compete in surf sports.

As the Nippers program is designed to learn about lifesaving skills and safety around the beach, we strongly encourage all parents of children with limited swimming ability to enroll them in swimming lessons.

Upon registering your child online with the Warrnambool Life Saving Club Nipper program they will be required to pass a set of evaluation skills including a swimming assessment. This will be on the 30th October or 6th Nov. at 10am until 12pm at the Warrnambool College Pool along with information and registration with the season starting on the beach from 13th Nov. at the new time of 9.30am.

For more information please go to the website www.warrnamboolslsc.org.au or call or email Dean on 0417 615 899 warrnamboolslsc@bigpond.com
