24TH JUNE
LEARNING CULTURE
On my visits to classrooms and in discussions with staff recently I am noticing how independent students are and it is great to hear the way they talk about what they are learning. All students are working hard on demonstrating our school trademark behaviours of Respect, Excellence, Care and Teamwork. We have a special culture here at this school of ensuring all students are happy and learning tasks are at their need. This culture is driven by the staff and parents, and it is something we should continue to reflect on with high expectations. I am always proud when I get feedback from people in the community about how students demonstrate care and respect for others. Many of our students take part in community groups with parents, play sport and have other hobbies and talents in the local community. We hear of great stories from past parents of the school about their child’s successes after Woolsthorpe Primary School. As a school community we should be very proud of all our students current and past, and how we prepare them for their futures as community members and leaders. It would be great to share stories in our newsletter from time to time. Please send us an email.

REPORTS
Teachers are in the process of writing student reports at the moment. These will go home on June 26. Reports are an important way of informing you as parents of how your child is progressing in his/her learning. Teachers spend many extra hours writing comments and ensuring your child’s report is personalised, clear and a true reflection of where they are at with their learning at this time of year. In term 3 there will be an opportunity to make an appointment to see your child’s teacher again. In saying this, teachers are always available to discuss your child’s learning needs. Our school believes parents play a major role in supporting their child’s education. By working together we can ensure every student reaches their full potential.

iPAD MAINTANCE
Can I please remind families (students) about the importance of looking after their iPad by keeping it clean and maintaining Apps. Delete old apps, pictures, videos give them a clean regularly.

ENROLMENT FOR THE PREP CLASS OF 2016
We welcome parents to call and arrange individual tours of our school anytime. Come and see our Preps in action and see for yourself why our school is special and unique.

Enrolment Week is Monday 20th - 24th July

IF YOUR CHILD IS SICK PLEASE KEEP THEM HOME
For safety’s reasons, if your child is unwell you should always keep them home from school and seek medical advice. Link http://ideas.health.vic.gov.au/guidelines/school-exclusion-table.asp

ASTHMA
Students with Asthma should have available in the school, the appropriate medication required. This medication is kept in the children’s bag or with the child’s teacher. Students are required to have a Asthma Action Plan completed by the Parents, which will be held in the students file. These forms have advice and directions from your Doctor.

Respect Excellence Care Teamwork
‘doing leader’, has to date, been amazing. The projects and community partnerships going on is inspiring. Therefore we feel we can help the Leila Rose Foundation and raise some awareness around their important work. The idea is simple. All Student Leaders Congress Schools will hold a PINK THEME FREE DRESS DAY on August 14 in the lead up to the ‘All Stars Football Game’ on Sunday August 16. Our aim is to raise awareness and money for the Leila Rose Foundation on this day. How schools raise money is up to them, but we will combine the total on behalf of All Student Leaders Congress Schools. Here is a link www.leilarosefoundation.org with information from Jacinta about the Leila Rose Foundation to help raise the awareness in your schools.

STUDENT LEADERS CONGRESS
NIGHT OF CELEBRATION

Come along and celebrate the dedicated work of our student leaders from the local schools.

Each school is asked to have their MP4 movie submitted by the end of term 2, Friday 26th June. All movies need to be submitted on USB to Woodford or Woolsthorpe Primary Schools.

Remember to ‘Tell Your Story’
1. Be clear and precise with the message
2. Use quality images, footage and music
3. Check permissions
4. Videos must be no longer than 2 minutes.
We have a large number of schools and projects to showcase on the night. Any videos longer than 2 minutes will be edited to fit with the program.
5. Videos need to be in MP4 (large) format

**WINTER CHILLS**

With the colder days and nights upon us we need to remember to dress warmly and have plenty of water and nutritious food.

**COLD KIDS ARE HUNGRY KIDS**

We have a number of students away from school with colds, flu’s and virus’s, including a case of Hand, Foot and Mouth.

Many parents have a hard time deciding if their kids are well enough to go to school. After all, what well-intentioned parent hasn’t sent a child off with tissues in hand, only to get that mid-morning “come get your child” phone call? But making the right decision isn’t as tough as you might think. It basically boils down to one question:

**Can your child still participate in school activities?**

It is extremely important that students who are unwell are kept home to rest and recuperate. Please remember to let the school know if your child will be away.

As a school we need to be aware of what sort of bugs are about, including things like head lice and school sores which are easily shared and seem to be always about.

**We had fun today with the @woolsthorpe4 kids-touching up on our Netball skills in prep for winter sports next week**

**We were excited to meet Smoochy Nicolson on Monday!**

**Congratulations to Tiara on her great success at the horse vaulting competition!**

**Learning how to weave an 8 pointed star with ribbon for the #onemillionstars project.**

**Who wouldn’t want a tiger as a pet after reading this exposition?**

**Super effort by Peta at the Great Western Regional Cross Country Champs!! We are very proud of you!**

**Sharing & celebrating Aisha’s passion & talent. Jazz, Classical Ballet, Lyrical Solo & Jazz Duet. Spectacular**

**CARAMUT&DISTRICT GARDEN CLUB NOTES**

Citrus trees are at their peak fruiting time in late autumn and early winter, so now is a great time to select a citrus tree for your garden. Citrus require a sunny spot and well drained soil enriched with plenty of organic matter. A few handfuls of Yates Dynamic Lifter Organic Plant Food incorporated into the planting hole is ideal.

Feed Camellia Japonica to prepare them for the winter/spring flowering season. Overly crowded bud clusters can be reduced by carefully removing a few. There’s plenty going on in the winter veggie patch, with a variety of tasty veggies like broccoli, broad beans, cabbage, cauliflower growing steadily.

It's time to sow veggies like lettuce, snow peas, beetroot and broad beans. Make sure your secateurs are sharp and in good working order. Winter is a good time to dig up and divide those clumps of perennial asters, phlox and daises. While they are dormant they can take a bit of rough treatment, provided they are quickly replanted and given a good watering.

Spring-flowering bulbs will be pushing their shoots above the soil now. A light application of soluble fertiliser will improve the quality of their flowers.

**John Clements recipe for an all purpose spray for garden**

30% milk, 70% water, 1 tablespoon of Bi-carb soda, 10 – 20 ml dishwashing detergent. Put in spray bottle and shake to mix well. Use for powdery mildew, black spot etc.
