Dear Parents,

please read this carefully and support us in keeping all students safe.

Our school bus drivers have recently raised some concerns about parents/cars entering and leaving the drop off and pick up area in the mornings and afternoons.

These rules are for the safety of all children of our school. Please follow these and talk to your children about them.

- At all times of the day you must hop out of your car and walk your children across the road when dropping them off or picking them up from the front gate.
- Children must be collected from the front gate.
- Students cannot cross the road by themselves at any time.
- Do not walk between or in front of buses.
- Please cross the road behind the buses.
- Please drive slowly at all times when entering and leaving the front of the school and parking areas.
- Park in the car parks, no double parking at any time.
- Do not leave children alone in cars at any time.

Thank you for your cooperation with this important safety measure.

VANDALISM AFTER SCHOOL HOURS

If anyone notices unwanted people on our school grounds on weekends or after hours, can you please let us know or contact the police. Last weekend the goal post covers on the school oval and basketball courts were removed and damaged. Your help with this matter is appreciated.

Mr Perry

Aisha & Peta receiving certificates from our local RSL for their outstanding speech at the ANZAC Ceremony in Warrnambool.
CARAMEL POPCORN

**INGREDIENTS**
- 4 cups of Puffed Corn (found in health food aisle at Coles / Woolworths)
- 125g butter
- 1 cup of Rice Malt Syrup
- 1/4 tsp Bi-Carb Soda

**METHOD**
- Preheat oven to 150 degrees celsius.
- Put Puffed Rice into a big bowl.
- Melt butter and Rice Malt Syrup over low heat, stirring constantly.
- Allow to boil for 3 minutes (this will start to turn the colour a bit more golden). Take off heat.
- Stir in the Bi-Carb Soda. This will cause the mixture to foam up.
- Stir through the puffed corn until all the corn puffs are coated in this delicious sauce.
- Spread out on baking paper so it’s all flat, then cook in oven for 10 minutes or until it looks really golden.
- Take out of the oven, give it a little stir then let it cool totally.

**NOTE**
This should be crunchy whilst being a little sticky.

This made 10 bags of caramel popcorn (3 good spoonfuls per bag. This is plenty as a gift). Enjoy!

Thank you Lisa Turner for the amazing link to therootcause.com.au
The Koroit Irish Festival has brought a close to the pancake shifts this year. The Koroit Irish Festival was a fun day and we thank all the families that helped out, especially those that braved the wild weather on Sunday! We made $2200 gross profit which is just amazing!

Thank you to every family that has helped out with the pancakes this year. It really makes such a difference to EVERY child attending our school. This year we made an astounding $14,500 in profit above costs which contributes to your child having end of term celebrations, subsidises their excursions and iPads and the biannual trips to a musical. We really have appreciated those families that wrote their names down for shifts, answered the call to help fill a shift at the last minute, and helped prepare strawberries. We understand how busy life gets with children and work, and really feel so grateful that we have such a wonderful school community that also believes in teamwork and respect and helps out where they can for the better of all the children.

OPEN MORNINGS
DURING EDUCATION WEEK
Monday, Tuesday, Wednesday
9.30am - 11.00am

COME SEE, PLAY, LEARN
Kitchen Garden Program in action
(Tuesday morning only)
Mini Maker Faire activities like Coding Robots and Flying Spider Drones
Literacy Play, Learn and Fun

Items for the Newsletter can be directly emailed to ttaylor2601@gmail.com by 11 am Wednesdays.
Thank You.

HAWKESDALE P-12 COLLEGE

YEAR 7 IN 2017 INFORMATION EVENING
Wednesday, May 18th … starting at 7:00pm

Hawkesdale P-12 College will be holding an Information Evening for prospective 2017 Year 7 students on Wednesday, May the 18th. This is an excellent opportunity to hear about the learning experiences that the Hawkesdale P-12 College offers to its students, and to see facilities and classes in action; students will take part in a range of physical education, science and technology sessions during a tour of the school, and will have the opportunity to meet and talk with current Year 7 students.

Families attending the Information Evening will first meet in the P-12 Library for a formal presentation about the school, featuring reflections and information from staff, student leaders and our Year 7 students. This will be followed by a school tour in small groups, interactive activities and a chance to ask questions and meet members of the school leadership and teaching team over supper.

Please direct any enquiries regarding our Information Evening to Colan Distel (Principal) or John Ralph (Assistant Principal) on 55607225. We look forward to seeing lots of families at our school on May the 18th!
