Welcome back for another big term of learning and fun. We officially welcome Tracey Taylor on staff in a more full time capacity, working in various student and staff support roles. Miss Cumming (Miss C) has also increased her days to 3 and a new specialist timetable is now running across the school.

We have our whole school excursion to The Lion King at the Regent Theatre in Melbourne on September 2nd. The excursion will be subsided by the school and PFA, as we have done in past years. The cost of the excursion (with PFA and School contributions) will be about $90.00 per student which includes ticket, bus and dinner on the way home. More information will come home soon.

The Kitchen Garden program goes from strength to strength thanks to our amazing parent volunteers and helpers. This term we are doing a review of the Kitchen and Garden program which will be led by Danielle Gladman and Tory Robinson on School Council. The aim of the review is to reflect and document the great work that is happening in the garden and the cooking parts of our program. Parents wanting to get involved in the review or help with Kitchen Garden program this term can leave their names with Suzi.

ENROLMENT WEEK IS NEXT WEEK FOR THE PREP CLASS OF 2016
We welcome parents to call and arrange individual tours of our school anytime. Come and see our Preps in action and see for yourself why our school is special and unique. If you know of any families who want to enrol students or would like enrolment packs please encourage them to contact the school. Enrolment forms are due by next Friday.

FETE/COUNTRY FAIR
The official count down is on. Over the coming weeks our Fete coordinators and parent committees will be starting to tick off their lists, hold further meetings and send out letters etc. in order to prepare for our Fete/Country Fair on October 18.

For new families who haven’t been involved before, our Fete is run by all our parents as a whole school community event. Parent involvement and contribution to our Fete is vital! It has become an expectation that all families get involved and help out.

The money raised from our Fete goes directly back into supporting every single student at our school, through camp subsidies, extra resources and classroom materials. The money raised also allows us to run our special school excursions like our trips to Melbourne (Lion King 2015) which no other school in Victoria does. The money also helps us keep our school fees the lowest of any school in the state.

Fete time is busy, but lots of fun is had by all families and students involved. We cannot run our Fete without the support of parents. If you have questions about helping out at the Fete please contact Suzi at school.
CAMP PROGRAM
In order for parents to plan well ahead, below are details with costings for all our camps this year. As in past years we are happy for parents to start making small payments and set up a payment system with Suzi. We've found this makes things much easier for everyone.

STUDENT ACCIDENT INSURANCE
Parents are reminded that the Department does not provide personal accident insurance for students. Parents and guardians are responsible for paying the cost of medical treatment for injured students, including any transport costs. Student accident insurance policies are available from some commercial insurers. These cover a range of medical expenses not covered by Medicare or private health insurance. Ambulance cover is something that needs to be considered. Our policy is that an ambulance will be called when injury is deemed serious.

SCHOOL UNIFORM
A reminder from School Council, that all students must wear full school uniform at all times. If for some reason this isn’t possible on the odd occasion, please send a note.

Our School Council Dress Code is as follows.
Please note- Navy Blue is our school colour not black.

We need a parent helper each week to assist the senior students. If you can spare half an hour on a Thursday (12:30 pm), please add your name to our roster.

JULY TERM 3 VACANT
Please remember to send along a fork if needed!
Thank You Kathryn for helping out today!

### USE OF COUNTRY SCHOOL BUSES

**Country Bus Co-ordinator**  
**Warrnambool Bus Lines**  
- Country Bus enquiries 5560 3888  
- Town Bus enquiries 5562 5748

Parents/Guardians are reminded that Department of Transport regulations state that only registered bus travellers can use the country school bus system. Regulations clearly state that unregistered students are not insured for travel on these buses.

**Country buses cannot be used by students travelling to sports training, after school activities or to stay with friends.**

**THIS INCLUDES THE SHUTTLE BUSES BETWEEN THE SCHOOLS.**

It is the responsibility of parents to arrange appropriate transport for their students to attend sports venues and work places for after school activities.

The shuttle buses are the first fleet of buses to leave Brauer and Warrnambool Colleges, and all the buses which leave Emmanuel and Kings Colleges must not be used for commuting to the other side of Warrnambool.

A temporary pass for travel will be issued in the case of Emergency or family illness, where a student is being cared for by a relative or friend. The student must obtain the pass from their school office or the District Bus Co-ordinator. Drivers will ask to see the pass if a student is not a regular traveller on that route.

Regular paid town bus routes should be used by students wishing to travel from their school to sporting venues within the city, details of these services are available from Warrnambool Bus Lines, telephone 55625748.
