PRINCIPAL’S REPORT

SWIMMING
Our swimming program finished up Wednesday. It was great to see students for the first time in some cases enter the water and develop a lot of confidence in their abilities to swim and be safe in the water. The smiles on all the students’ faces tell the story! While students are tired and worn out, the learning’s from the swimming program will be important life skills they can use forever. Thanks to Mr Miller and all staff for their organisation over the 2 weeks.

COUNTRY FAIR OCTOBER 18
Thank you to our parents and students who helped at the Working Bee on Saturday just gone. A number of jobs got done in preparation for our Country Fair on October 18. If other parents who couldn’t make it can spare a few hours in the school gardens please let us know, we have some weeding to do and mulch to spread.

Our committees are really stepping up their work over the next few weeks. The Country Fair is a great school community event and we ask all parents to help in some way. On the day and in the lead up we need all hands on deck. If you are asked to help, please do.

The money raised from our Country Fair goes directly back into supporting every single student at our school, through camp subsidies and extra resources. Our very low school fees are also a result of the fundraising we do both at the Country Fair and PFA Pancakes during the year. While we have advertising taking place, the best form of advertising is word of mouth. So please! Spread the Word.

COAST FM LIVE BROADCAST
On Friday October 16 Monkey, Logy and the Big Fella from Coast FM will be broadcasting live from school 10am-1pm. They will be promoting our Country Fair and all the great things happening. They will also be participating in our Jump Rope for Heart RED DAY FUN. Families are welcome to come along see the live broadcast, have a cuppa watch our Jump Rope demonstrations at 11.30am.

iPAD CLEAN IN THE HOLIDAYS
Holidays are a perfect time to clean students’ iPads, replace old covers/chargers, fix screens, and delete old apps, pictures, videos. All students must have their iPad at school every day (charged) for their learning programs. Students’ learning is affected if they don’t have their iPad.

LONG SERVICE LEAVE
The first 2 weeks of Term 3 I will be on Long Service Leave. Mr Boyd will be acting as Principal while I’m away. Mr Boyd will also be teaching so if you having any concerns please make an appointment where possible.

A reminder school finishes this Friday at 2.30pm - join us for assembly at 2.15pm.

 Helpers and little people are always most welcome!

A LITTLE NOTE FROM THE PRODUCE TEAM FOR THE COUNTRY FAIR....

As we know, the Country Fair is always an amazing success due to all our families pitching in together to help. The Produce Stall is a unique part of the fair that is well sought after by patrons. The Produce Team, however, need help with contributions of baked goods to sell at their stall on the day to make it the wonderful success it always is. In the 1st week back of term 4, each family will be sent home a set of containers/boxes, and we ask if everyone can please kindly contribute by sending these back on the day of the fair with some baked goods such as truffles, biscuits, quiches, cakes, sausage rolls, or slices. We know that each area is asking for help in some regard, but many hands make light work and takes a huge pressure off individual teams.

Thank you!

PLANT STALL
FETE MEETING
Friday 18th
September
1:00pm
In the Staffroom

Vaulting - Gymnastics on horseback (you don’t even need to be able to ride)
Come and Try Sessions
