PUPIL FREE DAY TOMORROW
All staff will be attending a Professional Development workshop on wellbeing and welfare on Friday July 29. This day has been organised by Warrnambool SDS for local schools, welfare services and early childhood education providers in the Southwest area. The presenter is an international speaker and this is a great opportunity for staff to attending this PD locally.

SWIMMING PROGRAM
Our 8 day Swimming Program this term commences on Monday September 5th at the Warrnambool College pool, with all students participating under the tuition of Jayson Lamb and his instructors. A special timetable will operate at school during swimming, lunch times will vary in all grades, with no heat ups or lunch orders during these 2 weeks. Parent Information will go home closer to the program.

iPAD MAINTANCE
All students must have their iPad charged, clean and at school every day. Any broken iPad screens need to be fixed please as soon as possible. Parents should inspect iPad Apps and be aware of the content students are accessing at home. If you come across Apps or content which students should not have please let us know. Thank you for your support here.

PREP TRANSITION
At this stage we have 9 new Preps in 2017. Our Prep transition program starts in term 4 with families receiving letters and information over the coming weeks. The program is about students making a smooth transition into primary school as they begin their learning journey at Woolsthorpe Primary School. As I have said in the past when we enrol students we enrol the whole family. Our school is about supporting a learning journey for parents and students, and we look forward to seeing new families involved in the many school community activities.

TWITTER
Following the school and your child's class tweets is a great way to see their learning in action. We are tweeting the amazing work they are doing. Why not set up an account and follow @woolsthorpeps

Important *If your contact details or email have changed lately please ensure these are changed at school. We must have up to date information and phone numbers in case of an emergency.

Library News

With the colder weather upon us we have lots of students visiting the library on Tuesday and Thursday lunch times, which is wonderful.

We are asking all families to check at home to see if you have any overdue Library Books that need to be returned so that others can enjoy them too!

We are looking for the following series:

- Diary of a Wimpy Kid
- Puppy Place
- The Treehouse Series by Andy Griffiths

**Lunchtime Borrowing**

**Tuesday & Thursdays**

1:30 - 2:00 pm

Thank you

A visit from Tilly the tortoise this morning before she is released. Kyanne’s grandparents rescued her off the road.

Our school provides a unique and dynamic learning experience for its learners. We have a history and culture of high expectations, parent involvement and academic excellence. It is our intention to promote our trademark values of Respect, Excellence, Care and Teamwork. Our school is recognised by the local community for its safe and caring environment. We work with families closely to support and build strong relationships.

Our new school was built in 2013. It has the latest up to date technology and learning spaces, where teachers work in collaborative teams to personalise learning for all students. iPad technology is embedded into all areas of learning and is strategically used to support learning. All students and staff have iPads to support our learning culture.
