LION KING 20 DAYS TO GO

Our whole school excursion to Lion King is almost here. We see this as a great learning opportunity and experience for all our students; therefore we really want all students to attend. We understand that family budgets can be tight from time to time and hope students don’t miss out for financial reasons. As a school we can support families with payment plans and other financial supports to ensure students do not miss out on special events, excursions, camps or other programs we offer.

Our School Council work really hard to make sure our Fees and programs are affordable for all families. One way is by fundraising through PFA and our School Fete/County Fair. I am more than happy to talk with parents privately about how we can support and give all students an opportunity to attend the Lion King and other excursions and camps coming up. In saying this, if your child is not going to Lion King on September 3 we do need to know so tickets can be reallocated. The best thing to do is give me a call or talk with your child’s teacher if you have any questions.

PINK DAY THIS FRIDAY
PLEASE SEND A GOLD COIN DONATION

After discussions with the Leila Rose Foundation it was felt the Student Leaders Congress vision was very much aligned with the Foundation’s work. Our goal of ‘Making a Difference in our Community has to date, been amazing. The projects and community partnerships going on are inspiring. Therefore we feel we can help the Leila Rose Foundation and raise some awareness around their important work. Student Leaders Congress Schools will hold a PINK DAY this Friday in the lead up to the All Stars Football Game on Sunday August 16. Our aim is to raise awareness and money for the Leila Rose Foundation on this day. How schools raise money is up to them, but we will combine the total on behalf of All Student Leaders Congress Schools. Web: www.leilarosefoundation.org

HEAD LICE INSPECTIONS
Head lice are a real issue in all schools at the moment. Parents, it is your responsibility to inspect and treat your child if they have head lice (check daily please). When treated children must be kept at home until the day after treatment and there are no more head lice visible. Head lice inspections will take place by staff at school often.

*Parents will be called to pick up students with head lice for treatment at home.

It is important you are checking your child’s hair daily at the moment. All students with long hair must tie it up at all times.
iPAD MAINTANCE
All students must have their iPad charged, clean and at school every day. Any broken iPad screens need to be fixed please as soon as possible. Parents should inspect iPad Apps and be aware of the content students are accessing at home. If you come across Apps or content which students should not have please let us know. Thank you for your support here.

PREP TRANSITION
At this stage we have 15 new Preps in 2016. Our Prep transition program starts in term 4 with families receiving letters and information over the coming weeks. The program is about students making a smooth transition into primary school as they begin their learning journey at Woolsthorpe Primary School. As I have said in the past when we enrol students we enrol the whole family. Our school is about supporting a learning journey for parents and students, and we look forward to seeing new families involved in the many school community activities.

PARENT OPINION SURVEY 2015
A big thank you to everyone for returning their Surveys. We got back 98% of all the survey’s sent out. Well done!
All families who returned their completed surveys went into a draw for a $40 Coles Myer Gift Card – the lucky winner is Hunter O’Connell!
The O’Connell family can look forward to the Gift Card coming their way shortly!
