PARENT PAYMENTS
With our swimming program coming up, this is a reminder to all families that payments of school fees should now be finalised. Some parents have set up payment plans (instalments) which will continue into term 4. The yearly fee of $240.00 set by school council includes our swimming program, student materials and excursions, along with many other extra learning opportunities afforded to our students like Kitchen Garden, visiting performances, end of term BBQs, trips by bus to sports event like Hoop Time and Winter Sport. Our school fees are the lowest of any school in the area, thanks to our School Council and PFA fundraising. Many of our programs are subsidised by our locally raised funds from PFA.

If you are unable to finalise your school fee in the coming weeks and need to set up a payment plan (instalments) please contact Suzi. In the newsletter there is an explanation of our school fees.

SCHOOL DROP OFF/PICK UP NEW UPDATE
The Moyne Shire is in the process of changing the service road at the front of the school back to one way, which it originally was before signs were taken down. Therefore we encourage all parents to enter the car park area via Kennedy Street making the service road at the front of the school ONE WAY. This one way road change is for safety purposes.

PLEASE
• Drive slowly at all times in the car park area
• Park in the car parks
• Students must not cross the road by themselves at any time. Parents must walk their children across the road.
• Do not walk between buses.

2017 PREP TRANSITION PROGRAM
Our Prep transition program starts in term 4 with families receiving welcome packs and letters next week. Our program is about students making a smooth transition into primary school. As I have said in the past, when we enrol students we enrol the whole family. Our school is about supporting a learning journey for parents and students, and we look forward to seeing new families involved in the many school community activities and events we have.

IMPORTANT WITH SWIMMING AND CAMPS COMING UP
If your emergency contact details or email has changed lately please ensure these are changed at school with Suzi. We must have up to date information and phone numbers in case of an emergency or if we need to contact you.

Celebrating Principal’s Day
- Thank you Mr Perry!
**KITTENS**

Kittens are a little cat and they eat cat food and fish and kittens drink milk and water and kittens like to play with toys and wool but kittens can't eat grass. Other kittens think toy cats are their mum and dad. Kittens like to chase string. Kittens like to sleep on beds because they like you. Some people have some kittens.

**CARLTON**

Carlton used to be the best at football because they had a good team. My family goes for Carlton. Now we are losing but we might have a chance. We might win. Who knows. We might not. I will cry all night and morning. I will turn evil and kill them. However in the olden days we would win because we had the best players.

**Chaz Toki**  
**Grade 1**

---

**KING COBRA**

A King Cobra is a member of the reptile family. King Cobras have hoods, they use them to scare away enemies. It’s scaley skin is brown with two large, black spots on the back of their hood, they look like eyes on the back of its head and they are used to scare off any predators behind them. They have muscles around their fangs which help to extend the fangs out. I find Cobras interesting because I like deadly things.

Thank you Giselle for the great photos of the Grade 3/4 Hoop Time last Friday. The kids had an amazing day!
BEAT - Blockbuster Engagement Arts & Technology
is a dynamic, exciting unit of work for Primary Schools that integrates state curriculum with state of the art blockbuster-like visual effects. The completed project will be a short film starring Woolsthorpe’s Year 5 students, who have had to use their problem solving skills to defeat a giant digital robot to save their school.

What is it?

Laura
I loved seeing everyone act and learning how all the special effects work in movies and being able to include them in our own.

Bridie
It was such great fun! It was new and exciting - something we have never done before!

Aaliyah
I loved creating the story, thinking that an iPad can do that!

Lachie
I liked how Richard and Alex taught us how movies are made - then how to make our own. The BEAT SHEET was great too!

Christopher
We got to act! That was great - and the big food fight was my favourite part!

Emily
It was fun and we learnt lots of things - I enjoyed making the BEAT SHEET!

Charlotte
I liked how we learnt to produce a movie - we actually got to create our own!

Check out our Twitter feed to get a closer look at all the fun!
Don’t forget to update your school Tiqbiz!
All important school information and the weekly newsletter are published on Tiqbiz. It is to keep you informed and up-to-date with all school events. Easy to use and reduces paper too!

HEAT UP REMINDERS
Thursday lunch time is a busy place here at school - lots of heat up lunches to deliver to hungry children!

The grade 5/6 students organise the lunches first thing and to make sure this is a quick, easy process please make sure lunches are packed in foil for the pie warmer or a microwavable container with your child’s name and grade clearly marked.

Oh - and don’t forget a fork!

If anyone would like to help the students out on Thursdays please leave your name at the office - it only takes about 1/2 hour - 12:30pm.

Huge thank you to the mums that come in and help out all the time - what would we do without you!

Thank You

CONGRATULATIONS
The Grade 4/5/6’s had the opportunity to enter a competition where they had to create a “Little Lunch” video!

Woolsthorpe entered 2 videos and we have been notified that one of those videos has made it into the Final 6!

Thank you to the students and Mrs C who made it possible for the students to experience their own Little Lunch!

Keep your eye on the newsletter and our Twitter page for more details and the winner is announced!

BROCCOLI SALAD

INGREDIENTS
1 large head broccoli, cut into florets
1 apple, cored, cut into thin matchsticks
2 stalks celery, trimmed, thinly sliced
1/2 cup walnuts, toasted, roughly chopped
50g baby spinach leaves
1 tablespoon chopped fresh chives
1/4 cup whole egg mayonnaise
2 tablespoons lemon juice

DIRECTIONS
1. Cook broccoli in a saucepan of boiling water for 3 minutes or until bright green and just tender. Rinse under cold water. Drain well. Set aside to cool.
2. Place apple, celery, walnuts, spinach, chives and broccoli in a large bowl. Combine mayonnaise and lemon juice in a small jug. Season with salt and pepper.

iPad LEASE PAYMENTS (per student)

iPad Lease Payments are separate to your school fees and are charged as per your individual Lease Agreement. iPad Lease Payments range from $150-$200 per year depending upon year of purchase/model. Please note your iPad Payment dates in your Lease.

STUDENT MATERIALS DETAILS

The Student Materials component covers all materials such as pencils, pens, pencil cases, erasers, sharpeners, rulers, workbooks etc. as well as Library, Technology, Literacy, Numeracy and Discovery Learning resources.

VISITS/EXCURSIONS

The Visits/Excursions component covers local excursions and incursions.

Camps are not included in this component.

You will receive more information during Term 2 or 3 as camp details are finalised.

Parents holding a valid Concession Card can apply for the CSEF - worth $125 per Primary School student.
