Leading Schools in the Digital Age” visitors Tuesday September 16

Our school has been selected to host 35 local teachers and Principals as part of a local Leadership Course being run in the South West. The focus of the visit will be on sharing our journey in the last few years when it comes to learning with technology, looking at the open new learning spaces and how we use these, looking at our Learning Process and challenging ideas about using technology to power the learning. Students and staff will get to share their learning and thoughts which will be a great experience. We will be running our Discovery Time during this visit, sharing our learning process and using the language we have now started to embed across the school.

PREP TRANSITION
Our Prep Transition Program starts in Term 4 with families receiving letters and information over the coming days. The program is about students making a smooth transition into primary school as they begin their learning journey at Woolsthorpe Primary School. As I have said in the past, when we enrol students we enrol the whole family. Our school is about supporting a learning journey for parents and students, and we look forward to seeing new families involved in the many school community activities.

REMINDERS
MR BOYD
The first 2 weeks of Term 4 Mr Boyd will be on Long Service Leave off somewhere warm and sunny. Mrs Christina White will be in the Grade 2/3 class during this time. Mrs White knows the students really well and has worked in all grades at our school during the year as a relief teacher.

LAST DAY OF TERM DRESS IN YOUR FOOTY COLOURS
On the last day of term we are having a Footy Colours Day and nibble pies for lunch thanks to our wonderful PFA. Students will be doing football activities and having some fun getting ready for the footy finals. Reminder school finishes at 2.30pm on the last day term.

CAMP PROGRAM FINAL COSTINGS
Our PFA this year have agreed to subsidise the Grade 2/3 & Grade 4/5/6 camps. We thank them for their support, which will help all families of our school. This does not happen in any other school and we should be very thankful for such a wonderful PFA team.

Grade 4/5/6 Camp
Roses Gap November 17, 18, 19
Total Camp Cost $300 with $40 PFA Subsidy = $260 per student

Grade 2/3 Camp
Warrnambool November 6 & 7
Total Camp Cost $80 with $20 PFA Subsidy = $60 per student

*As in past years we are happy for parents to start making small payments for camps. We’ve found this makes paying for camps much easier. Charges for camps will appear on invoices.
