Pancake Roster

Summer is just around the corner - warm weather, swimming, Christmas and PANCAKES!

Yes - we are filling our Summer Pancake Shifts Roster.

So please check your calendar and fill a shift - bring a friend, or two!

There is a copy in the office too!

Thank You

….. hungry little caterpillars .......

We are urgently looking for some donations of MULBERRY LEAVES to feed our Silk Worms.

If you have a Mulberry plant, or know someone who does, please send along a small branch, or two.

It’s astounding how quickly they are chomping through the leaves that we have.

Thank you.
SCHOOL MAGAZINE
Our end of year magazine is starting to take shape if you have any ideas and articles to contribute please contact Suzi Ireland. This year the school magazine will cost $15 as it will be published in colour by Amazon Printing. If you wish to see the quality of last year’s there are copies in the office. Order forms will be coming home soon.

SCHOOL COUNCIL
Tuesday night at our School Council meeting we discussed a number of items and future planning, a few worth mentioning:
- Upgrades to the basketball court area and fencing will start to take shape between now and term 1 next year. With an exciting makeover planned.
- A new pancake trailer is about to be purchased and prepared for the January markets and pancakes for 2015.
- Governor Alex Chernov’s visit to Woolsthorpe on November 22 was discussed. Our school will be hosting the Governor and his wife for a Kitchen Garden lunch.

TWITTER
Every day you can see and kept up to date with what students are learning via our Twitter feeds. It’s a great way to see and learn more about all the fun our students have at school. FOLLOW US @woolsthorpeps

REMINDERS
1. Water bottles and drinking water regularly - we encourage all students to bring a water bottle to school each day, filled with water. We will be encouraging students to drink water more often and educating them of the health benefits, especially at the weather warms up.
2. Sunscreen - students should apply and are encouraged to bring sunscreen to school from home. Sunscreen is available in classrooms. We ask parents to support us with this by talking to your child about the importance of being SunSmart.
3. School Hats - must be worn at school.

As with any issues or if you have any questions please contact me directly. No question is a silly question. Communication is a two way process and I’m always open to new ideas and ways of doing things better.

CAMP PAYMENTS
Payments for both Camps are now due and need to be paid before students go on camp. We understand some families have more than one child attending camp some years and this can make upfront payments tricky. If you have any questions or would like to set up a payment plan please contact me to arrange this.

Planning is underway for 2015 in respect to programs and classes. If you know of new families to the area please encourage them to visit our school to discuss enrolment. We often have students enrol between now and Term 1 next year. Word of mouth is the best way of encouraging new families to our school. Please let us know if you are moving or won’t be here next year. We need to know this in order to plan classes and programs for 2015.

With the weather warming up nicely, there’s no better place to be than the backyard. October is a huge month in the patch. With so many varieties to plant, you’ll be struggling to get it all done. So, welcome to October, a fine time to be in any sort of garden.

Remember to use all your senses in the garden. Watch for pest issues, feel for soil moisture, smell your soil, and... most importantly... taste the fruits (or vegetables) of your labours. Let’s get into it...

Weeding is a great job to do at this time of year. Cut down the competition between your tasty treats and these space invaders, and tidy up your patch. It may sound tedious, but it’s incredibly rewarding. 

: Top up mulch on your veggie patches, herb gardens and ornamental beds. Choose a sustainable, low environmental impact mulch that will enrich your soil as it breaks down. On non gardening days head out to the shed, and sharpen, clean, oil and maintain your garden tools. It’s really rewarding and will save you money and plant problems in the long run.

Get planting these tasty treats: cabbage, celery, leeks, lettuce, silverbeet, spring onions, Brussels sprouts, capsciums, chillies, eggplants, and beetroot. For big patches, why not try a globe artichoke?

Tough and tasty... what a combo.

Go crazy with climbing beans. Why not build a trellis or archway in your patch, and grow these green machines over the top. It looks awesome, doesn’t take up much space, and makes it easier to pick the beans.

In the herb patch, try some parsley, calendula, chamomile, marigolds, oregano, pyrethrum, rue, sage, rosemary, thyme, and Echinacea. Also try lemon balm and mint, but keep them in a pot, as they have a tendency to take over.

Why not try some aurora and Livingstone daisies, pansies, violas, snapdragons, verbena, marigolds, cornflowers, petunias and phlox. These guys are great at attracting pollinators and beneficial insects to your garden.

Last month’s competition winners were

| Special Bloom: | 1st Helen Brown | 2nd Lorraine Schefferle |
| Bloom: | 1st Mary Underwood | 2nd Barbara Surkitt |
| Produce: | 1st Lorraine Schefferle | 2nd Margaret Leheman |

Anyone wishing to come on Bus trip to Beaufort Area on Thursday 20th November Please contact Mary Underwood as soon as possible. Bus leaving Warrnambool at 8.30am, pick up at Woolsthorpe 9am, Caramut 9.30am and Mortlake 10am. Thanks to all who have booked and paid up early.

Our Christmas Lunch this year will be at the Caramut Hotel on Tuesday 9th December. If you wish to attend please put your name in with Maureen on bus trip or phone 55 765543.

Please bring gardening gift you have grown to swap.
