PANCAKE SHIFTS
Planning by our PFA for the January markets is well and truly under way. As families of our school community we ask that you chip in from time to time to support the school. The pancake shifts are one way ALL parents can get involved and help out. Our famous Woolsthorpe Primary School Pancakes each year raise much needed funds for programs at our school. The school cannot subsidise camps and excursions, provide extra resourcing and have low school fees without the funds that are raised from our pancake shifts and biannual Community Fair (Fete). So we ask that you consider doing a pancake shift this January and see how much fun it can be getting to know other families and taking pride in representing our school community. As the saying goes ‘many hands make light work.”

REMEMBERANCE DAY
Tuesday November 11th the grade 4s are organising a Remembrance Day ceremony at school starting at 10.45am. All community members and families are invited to attend.

iPADS 2015
At our School Council meeting last Tuesday night a decision was made to expand our iPad Program across the school from Prep to Grade 6 in 2015. This will mean all students from Prep to Grade 6 will have their own personal iPad to support and enhance their learning. As you would be aware, we are leading schools across Victoria when it comes to how iPads are used for teaching and learning. Our students use iPads in creative and powerful ways to embed Literacy and Numeracy strategies and skills, but more importantly students are able to record and share their learning with classmates, parents and teachers. Next Wednesday night at 6pm we will be holding an Information Session for parents with children in Grade Prep–Grade 3 in 2015 about the 1:1 iPad Program. At the Information Session we will go over the cost and implementation of the program. In the meantime, if you have any questions please give me a call.

FIRE SEASON
The Fire season is fast approaching and it is a reminder to practice your fire drills and emergency management plans. The key is planning and preparation. At different times we carry out evacuation drills as part of our emergency management. Our plan has two evacuation points. For Internal Fires we evacuate to the Cricket Pitch (Oval) and for Bushfire the Project Space in the main building. The CFA website has tips for planning and preparing for the fire season- http://www.cfa.vic.gov.au/

REMINDEERS

CAMP PAYMENTS
MEDICAL/PERMISSION NOTES are due please. Also payments are now due and need to be paid before students go on camp. If you have any questions or would like to set up a payment plan please contact me to arrange this.

Planning is underway for 2015 in respect to programs and classes. If you know of new families to the area please encourage them to visit our school to discuss enrolment. We often have students enrol between now and Term 1 next year. Word of mouth is the best way of encouraging new families to our school. Please let us know if you are moving or won’t be here next year. We need to know this in order to plan classes and programs for 2015.

PANCAKE ROSTER

Summer is just around the corner - warm weather, swimming, Christmas and PANCAKES!

Yes - we are filling our Summer Pancake Shifts Roster.

So please check your calendar and fill a shift - bring a friend, or two!

There is a copy in the office too!
HEAD LICE INFORMATION – PLEASE READ!

It has come to our attention that some students in the school may have head lice and we seek your cooperation in checking your child’s hair ASAP.

Head lice do not transmit infectious diseases – they are transmitted by having head to head contact with someone who has head lice. Head lice are common in school-aged children and are the most adaptable of creatures. They have survived living solely on humans for 10,000 years!

**What can you do?**

*Head lice control is a family responsibility and you should seek assistance where needed.* Please check your child’s hair, and in those instances where head lice or eggs are found, treat your child’s hair. Health regulations require that where a child has head lice, that child should not return to school until the day after appropriate treatment has started.

**If head lice or eggs are found on your child’s hair you need to inform:**

- the school and advise when the treatment has started.
- parents or carers of your child’s friends so they too have the opportunity to detect and treat their children if necessary.

No treatment kills all of the eggs so treatment must involve two applications seven days apart. The purpose of the first treatment if to kill all lice, the second treatment is to kill young lice hatched over the next six days.
