Just a few reminders from staff this week in Mr Perry’s absence.

Once again, with the current wet and cold conditions please remind students about the need to be careful at bus and school drop off and pickups. All students should be supervised when crossing roads and walk at all times. Please DO NOT park in front of the Wright’s driveway or bus parks at anytime. Please use the new car parks provided.

Annie the musical excursion is only 2 weeks away, information went home yesterday. If your child’s payment is still outstanding, please forward this to Jodie tomorrow, or contact her to make arrangements or the tickets will be re-allocated. Please keep in mind that all students are required to be in full school uniform for this excursion.

Official Enrolment for 2013 Prep Students have been taken for these first two weeks of Term 3. If you know of any families who would still like information please encourage them to contact the school for an Enrolment Pack.

Our Kitchen Garden Program starts again on August 6th. If you would like to volunteer your time as a parent helper or co-ordinator in any of these sessions, please contact us at school. Also if you know of any businesses who could make donations towards our program, please let us know. This is a great program enjoyed by all students and your support as parents is greatly appreciated by both staff and students.

It’s NOT OK to be away or late - It is a Department of Education requirement that students attend school each day on time. As parents it is your responsibility to have your child at school on time. If students are consistently late the Department of Education will be notified and referrals made to Human Services. Please ensure students are at school by 8.50 so they can be organised for the day’s learning. Your assistance with this matter would be much appreciated.

Golf Clinic - several of our senior students will be attending a Golf Clinic on Monday 5th August in Warrnambool. Notes went home yesterday for those students involved.

We were advised this week that while we were not the State Winner in the iPads for Schools competition, we were the Warrnambool School’s Winner and we have won our school $1000 to go towards our iPad Program. Many thanks to everybody who supported us in this competition.
