Our school provides a unique and dynamic learning experience for its learners. We have a history and culture of high expectations, parent involvement and academic excellence. It is our intention to promote our trademark values of Respect, Excellence, Care and Teamwork. Our school is recognised by the local community for its safe and caring environment. We work with families closely to support and build strong relationships.

Our new school was built in 2013. It has the latest up to date technology and learning spaces, where teachers work in collaborative teams to personalise learning for all students. iPad technology is embedded into all areas of learning and is strategically used to support learning. All students and staff have iPads to support our learning culture.

Our House System, Creative Arts, Science Specialist, Discovery Learning, Kitchen and Gardening Programs are just some of the unique experiences our learners have here at Woolsthorpe.

Our Learning Process model is designed to be a simple common language that all learners, both children and adults, can understand and use. Learners can identify and describe which part of the Learning Process they are in and why they are there. Our Learner Traits are important skills, which learners can draw upon when they are in any part of the Learning Process to overcome obstacles and be the best learner that they can be. Knowing what to do when learners don’t know what to do is a valued part of the Learning Process.

We equip learners with traits necessary for their school life and real world contexts. Our school values each learner’s passions and aims to develop students’ confidence, knowledge, understanding, appreciation, curiosity and most of all a love of learning.

**If you would like your child to attend a school which has:**

- Happy students who feel safe and supported with their learning
- Happy parents who are involved and informed about their child’s learning progress
- Happy and approachable staff who care about your child’s learning and development
- Excellent results in Literacy & Numeracy
- Enthusiastic parent helpers and active PFA and School Councillors

**Strong community links with local businesses, Universities, local playgroups and kindergartens**

**A school bus service for all families in Winslow, Mailors Flat, Minjah and Woolsthorpe areas**

**Then Woolsthorpe Primary School is for your family and child’s education.**

For a personalised tour any time with the Principal call **03 5569 2241**

Simon Perry
Principal
What parents think

“Woolsthorpe Primary School offers our children a friendly, safe, happy environment in which they have been able to enjoy their schooling experience. The children are encouraged to have input into various activities and made to feel their opinions are listened to and respected. We are very impressed with the terrific teaching resources and technology available at the school together with the high academic standards. The smaller classroom sizes enable more individual attention be given to each student.

We feel comfortable in the knowledge that as parents we are welcome at any time to contact the school about any matter we wish to discuss. We also appreciate being able to take an active part in the classroom enabling us to better understand teaching methods used.”

“My children LOVE going to school and I think this is a reflection of the wonderful school they attend.

The school provides an excellent level of education for my children. The programs provided especially in Literacy and Numeracy are great. My children enjoy these blocks as they are designed to be enjoyable for them, whilst the high quality of teaching skills and positive encouragement from the teachers ensure that my children are always progressing in their learning.”

What students think

“I enjoy Woolsthorpe Primary School because the students are friendly and the teachers are BRILLIANT!

I like Woolsthorpe because we learn in a fun way. We learn new and interesting things everyday.

Sports and camps are fun, writing and kitchen garden are the best too.

I enjoy school work and playing in the playground.
