CHALLENGE
We want to encourage all students, staff and parents to read daily and share books with family and friends over the school holidays.

At the same time we want to challenge you to take creative photos of people reading. This could be you, family, friends or other people.

Then, Tweet your photos and bring them back to school term 1 next year.

We are looking for the most “creative images” and will be showcasing the photos in a Creative Art Exhibition at school in term 1.

Prizes to be won.
